

Issues and Eggs 2018

The League of Women Voters of Greater Tucson hosted its Issues & Eggs Breakfast on Friday, March 2nd at the Doubletree by Hilton Hotel. Over 250 individuals participated, our most successful breakfast forum in the event's 5-year history.

This year's topic was "Health of Our Children in Poverty: Why We Must Care."

Our children are our future. How we invest in their emotional, psychological, and physical health is essential so they can recognize their potential and realize their dreams. Four health policy and program experts provided information on how the lack of health care coverage affects our children; they highlighted successful programs; and shared what we can do as concerned community members. Bruce Dusenberry served as the panel moderator and panelists included Mimi Coomler/ Tucson Medical Center, Dr. Tatyana Farietta-Murray/ Cenpatico Integrated Care, Dr. Francisco Garcia, Pima County, and Dr. Nancy Johnson/ El Rio Community Health Center.
